

Living the Abbott Values through High Standards

Our Promise Embodies our Core Values

Pioneering Achieving Caring Enduring

- For more than a century, Abbott has passionately and thoughtfully translated science into lasting contributions to health.
- Abbott's products encircle life, from newborns to ageing adults, from nutrition and diagnostics through medical care and pharmaceutical therapy.
- Abbott's core values serve as a guide to its business decisions and behaviours.

Living our Values through High Standards

Pioneering

Achieving

Caring

Enduring

- As a healthcare company, Abbott strives to live its values through the actions and behaviours of its employees.
- Abbott takes its responsibility for maintaining high standards very seriously.
- Setting and maintaining high standards is a foundation on which Abbott employees base their behaviours.

Living our Values through High Standards

Pioneering Achieving Caring Enduring

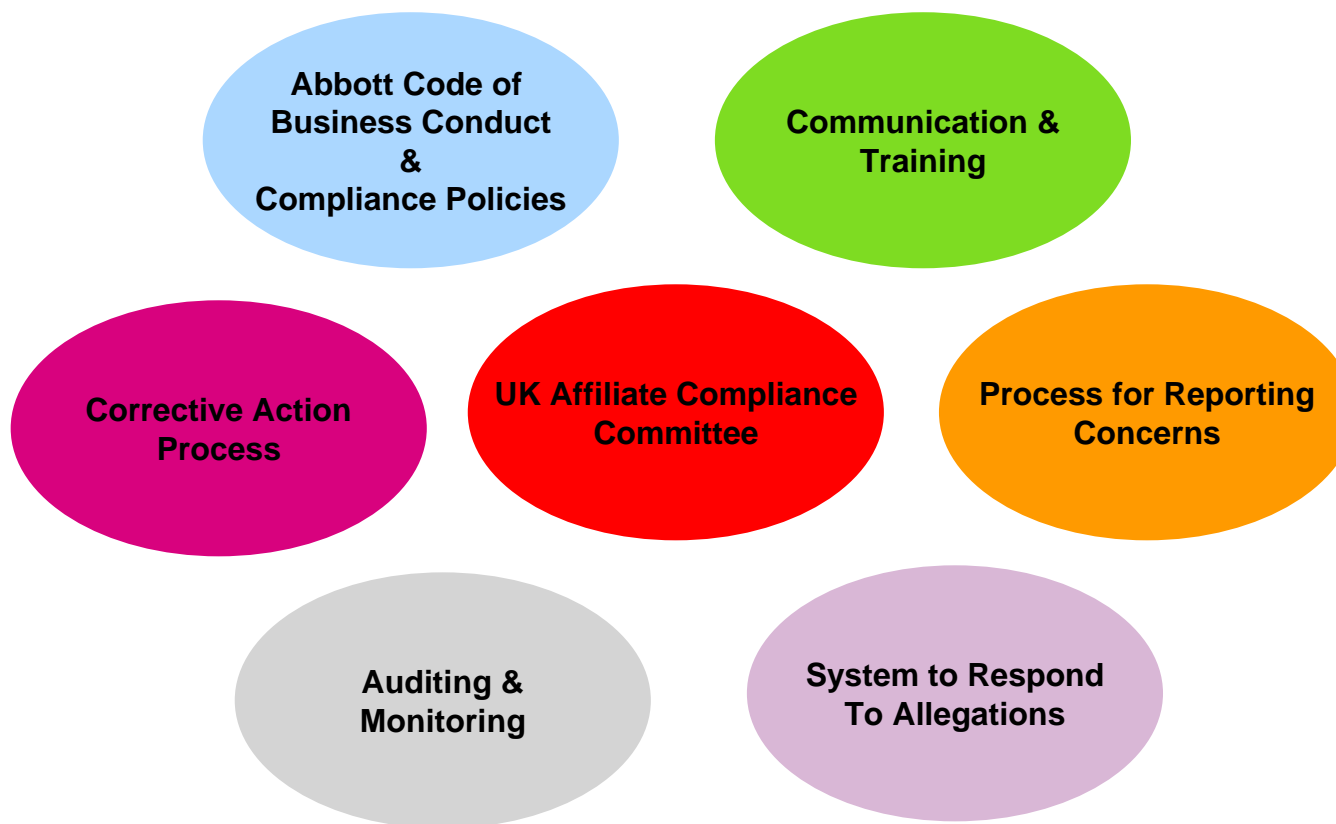

- Abbott has developed a worldwide compliance programme to embed the highest ethical and legal standards.
- In the UK, the Compliance Committee has developed core policies and procedures, to ensure compliance with UK and EU regulations.
